SARCity – Barstow
Scanner Training 10–12 October 2008

Become a **Mission Scanner** in one weekend! At SARCity, you can go from zero to hero in one intensive weekend of classroom and flying.

SARCity is put on by the Barstow Desert Rescue Squad, in conjunction with the San Bernardino County Sheriff, OES, and Barstow College. As part of SARCity, Civil Air Patrol conducts a Mission Scanner class that is open to non-CAP search and rescue professionals as well as members of CAP. Members of CAP do NOT register for SARCity through the college. You only need to follow the instructions below.

The mission scanner classroom training at SARCity begins on Friday, 10 Oct at 18:00 at Barstow College and continues Saturday morning at the Dagget/Barstow Airport. The flying starts Saturday afternoon and continues through Sunday morning. So for only $20.00, you get seven hours of classroom instruction, an official scanner flight (maybe two), two lunches, snacks, and beverages!

Prerequisites: Minimum age 18, must be qualified General Emergency Services (GES), completed OPSEC/NDA, wear a Nomex flight suit with all-leather boots, and have Nomex or leather gloves.

IMPORTANT: If you choose to skip the Friday night session, those tasks MUST have already been signed off (please see syllabus for task schedule). If you have not successfully completed ALL fam & prep tasks prior to flight time YOU WILL NOT FLY!

This is a great opportunity to get scanner training and meet some other search and rescue professionals!
