Subject: **CAWG CAP- Advanced Communications User Training - 30 January, 2010**
Date: January 2, 2010 10:39:57 AM PST
To: all@cawg.cap.gov

All Interested in CAP Radio Communications:

Personnel in need of CAPF 76, the Radio Operator Authorization, are invited to attend Group 7's upcoming Radio Class, which will be held on 30 January, 2010 at Group 7 Headquarters, 3976 Constitution Avenue, Los Alamitos, CA 90720-5140.

Pre-registrations are required and are now being accepted. There are now two ways to register (by email and U.S. Postal Service):

1. Completed and signed (by both you and your Unit CC) forms 17 or 150 may be mailed with a check in the amount of \$10.00 (made payable to Civil Air Patrol) by way of the U.S. Postal Service.
2. Completed and electronically signed (by both you and your Unit CC) forms 17 or 150 may be emailed from your unit CC's email address. Checks may either be mailed prior to the registration deadline or submitted in-person on the day of the class.

“Walk-In” registrations will not be accepted, however.

The pre-registration deadline is 23 January, 2010.

Please submit the above items to me at:

1Lt. John Frerichs
13390 Cloudburst Drive
Corona CA 92883
Email: n6vcw@yahoo.com
Telephone: 562-882-6198

CAWG Form 150 may be obtained by going to the following web site: www.cawgcadets.org. *Be advised that CAWG Form 150 replaces CAWG Form 31 for Cadets. Senior Members may use Forms 17 or 150.*

- The student must have reviewed and agreed to the OPSEC/Non Disclosure Agreement.
- A check in the amount of \$10.00 made payable to CIVIL AIR PATROL must be mailed or submitted in-person at the class.
- **Forms 150 or 17 must be emailed or mailed to me no later than the pre-registration date listed above.**
- The maximum class size is 20 students.
- Class begins at 0900 and will end at approx. 1700.

Please register now if interested.

Respectfully,

1Lt. John Frerichs
ACUT/MRO Class Project Officer
ACUT Instructor
