

Group 3 Intro to GSAR Training Weekend

(Hosted by Corona Cadet Squadron 29 & Group 3 CESLDP)

What:

This is an intensive combination of classroom and field training that provides students with the opportunity to complete all requirements for qualification for Urban Direction Finding (UDF) and Basic Ground Team Trainee (GTM-3) rating.

Both Cadets and Senior Members may apply. Space is limited and applications will be based on a first come, first served basis.

In addition to Ground Team Training, we will be offering opportunities for members to complete requirements for Mission Radio Operator, Communication Unit Leaders, Mission Safety Officer, and Mission Staff Assistants. (Please specify which when applying).

This will be an overnight activity and members participating in Ground Team Training positions will be expected to camp overnight. Members participating in Ground Team Training need to be able to stand/walk/sit for long periods of time.

When and Where: February 19-21, 2010. @ NWS Corona, Hamner Ave & 5th Street, Norco (I-15 North of the 91 Fwy). **ALL STUDENTS MUST HAVE GES RATING PRIOR TO ARRIVAL**

Cost: \$35/student – to cover meals, study supplies, and training costs.
