

# YAA

**Hey Cadets** Attend a fun **Youth Aviation Adventure** and learn what you want to know about aviation. Sponsored by the Big Bear Pilots Association & Big Bear Airport.

This is also a chance to bring friends who may want to join CAP and your buddies who are in the Boy Scouts so they can earn the Aviation Merit Badge.

**Where?** The Big Bear City Airport

**When?** **August 25th** 8:30am to 4:30pm

**Why?** To have *fun* and learn

**How Much?** \$ 7.00 (includes lunch, handbook, patch) **Parents/leaders free**

**Register today don't delay at** [rfoat@verizon.net](mailto:rfoat@verizon.net) (deadline Aug. 1<sup>st</sup>)

**714 840-6541 for more info.** [www.youthaviationadventure.org](http://www.youthaviationadventure.org)

**Dick Foat YAA Chairperson, 16371 Underhill Lane, Huntington Beach, CA 92647**

**Learn about:** Aerodynamics-(what makes airplanes fly)

Powerplants-(piston, turboprop, and jet engines)

Airport operations – (traffic control and pilot license requirements)

Helicopters – (what makes them fly and how they serve us)

Aviation careers-(from pilots to mechanics to controllers, emergency workers, etc.)

Instruments- (what they are and what they tell the pilot) Basic Navigation Principles

Preflight Airplane – (how to inspect an aircraft before flight)

Build and fly a foam glider and participate in an Aviation Quiz Show.
