

BOB HOPE CHAPTER 257
AIR FORCE ASSOCIATION
An Independent Nonprofit Aerospace Organization

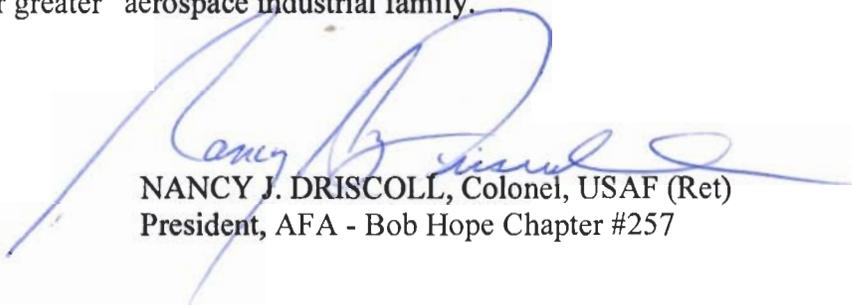

28 July 2007

Cadet Aaron T. Varela,

Congratulations on your selection as a recipient of a California Air Force Association's, Education Foundation for Aerospace Scholarship for 2007. Your outstanding academic achievements, military professionalism and bearing, your participation in Civil Air Patrol Squadron 45 events, and your recognized potential for assuming increased leadership responsibilities have distinguished you amongst your peers. Your passionate, energetic and unselfish support of CAP Sq. 45 events, as well as your dedication to academic self-improvement, has demonstrated the professional attributes that are the cornerstone of today's Air, Space and Cyberspace Force - "Integrity, Service, and Excellence In All You Do." Thank you for being a great role model. AFA is proud to recognize you as one of our emerging Air Force leaders!

Please accept this California Air Force Association EFA Scholarship as a token of respect and admiration for a job well done and confidence in your continuing academic, professional and personal success.

The Bob Hope Chapter is honored to sponsor you as an AFA member, renewing your membership for two years. I wish you continued academic success, as well as professional and personal growth as you pursue your career goals. We hope you will continue your aerospace affiliation, whether as a member of the United States Air Force, a Sister Service or a member of our greater "aerospace industrial family."

NANCY J. DRISCOLL, Colonel, USAF (Ret)
